

Here is a list of items that would be helpful for your child to bring with him/her to fourth grade:

-  4 large glue sticks
-  Several pencils and erasers—NO MECHANICAL PENCILS PLEASE (they tend to become a toy)
-  A box of 24 crayons or colored pencils—whichever your child enjoys coloring with (more than 24 becomes cumbersome in their pencil box)
-  Two large boxes of tissues.
-  3 two-pocket folders (no binder style folders)
-  1 package of markers
-  A pencil box (standard size only, not the long ones please)
-  A zipper pouch to keep their markers in.
-  Scissors
-  A dry erase board (can be found at The Dollar Tree)
-  4 dry erase markers to be used with personal white boards.
-  headphones or ear buds
-  Several notebooks to draw and color in
-  A composition notebook to be used in writing

Please note that if I did not mention something your child does not need it, although we may need to restock these items or there may be items that I find are needed as the year goes on. Thank you!
